Year-To-Year Budget Notes

Burroughs' initial formula allocation is \$4,904,160. This is an increase of \$344,107 compared to last year. School budgets are primarily driven by two key factors: enrollment and unique student need. In SY19-20, Burroughs' projected enrollment was 271. For SY20-21, their projected enrollment is 284, an increase of 13 students. Additionally, due to an increase in the number of students receiving special education services with less intensive needs, Burroughs requires an increase in the number of special education staff members, resulting in an increased special education allocation.
